Proposed Expansion Facilities

Project Timing

- **Pre Filing (Environmental)**
 - January 2008
- **Certificate Filings**
 - May 2008
- **Order Received**
 - September 2008
- **Construction Begins**
 - October 2008
- **In Service**
 - November 2009

Summary

- **Weather and markets are only a seasonal solution to constraints**
- **Long term capacity solutions will require expansion of pipeline facilities**
